

A laptop is now an indispensable asset, whether you are a student, a working professional, a business owner or homemaker. With technology's booming potential, laptops are getting lighter, faster, smaller and easier to use.

The economic benefit of this high demand and rapid innovation is simple—laptops are now more affordable!

We have easy credit laptops and tablets available from leading brands, laptops of all specifications, designs and prices within your reach.

Needless to say, we offering you a great service since you seriously *need* a laptop but cannot afford it outright. And you stand to *gain*!

Why Buy From Us

* Buy Now Pay Later

It's not always easy to save up the money for something like a brand new laptop or tablet. With other bills to take care of, you're probably wondering how you can get hold of one without breaking the bank.

Buying a laptop from us is easy. You can have a brand new laptop before you pay for it.

* Spread the Cost

Spreading the cost is a great way to make the cost of a laptop more affordable.

Our monthly payment plans mean that you can pay for your new laptop a bit at a time, in manageable chunks. **It's really that simple.** Besides, the payment is **interest free.**

* Cheap Laptops , Tablets, Smartphones

At Silverkey, we know that getting hold of a good laptop, tablet or smartphone can be expensive – that's why we offer easy, manageable payment plans.

We have monthly plans starting at K 1,000!

Our Business Philosophy

• Humble

Silverkey is customer –centric and we serve our customers in a humble manner.

• Hungry

We are hungry to serve our customers by aggressively engaging in new business and challenges.

• Hardworking

We work hard to achieve goals and deadlines set jointly with customers as well as reaching corporate objectives set by ourselves.

• Honest

We conduct all our business dealings honestly.
